

The Management of FITOGAL S.L. is committed to the maintenance of the quality management system, to put all their effort, the resources available to them, so that the correct development of the system and a continuous improvement of the same, for it also requires the effort of all the staff, through the necessary training and the transmission of all knowledge and ideas that management considers timely.

In the competitive market in which FITOGAL S.L. is currently developing, in order to maintain the current position, it is necessary to offer a better service to our competitors, which is achieved through quality.

The decision of the management of the company to maintain a quality management system that is appropriate to the company's capacity is driven by the desire to establish a system that helps the company to prevent possible failures, since it is considered more important that the identification of them.

To fulfill this responsibility, the company's management establishes the procedures, standards and systems and provides the human and technical means to adapt our quality system to the requirements of the UNE-EN-ISO 9001: 2015 standard

To ensure and strengthen our commitment to our customers in meeting all their requirements, FITOGAL's management expressly defines its quality policy in this quality manual, materialized through the following:

"THE PRIMARY DESIRE OF FITOGAL IS TO OFFER ITS CUSTOMERS AN ANSWER CAPACITY THAT SATISFIES THEIR NEEDS, KNOWING THE PRODUCT (PHYTOSANITARIES) THAT OUR CLIENTS THEY NEED AND DEMAND, MAINTAINING A GREAT DIVERSITY OF PRODUCTS OFFERING A CORDIAL TREATMENT, COMPLYING WITH THE LEGAL AND REGULATORY REQUIREMENTS OF THE SECTOR, WITH THE OBJECT TO DEVELOP AT ALL TIMES A PROCESS OF CONTINUOUS IMPROVEMENT ".
